

Hello dear host,

I'm the wolf! I'm a character from one of Oriane Lallemand's children's books.

I LOVE stories and I love traveling!!!

Since school started after summer vacation, I've decided to travel worldwide with my backpack and my camera!

I've been created by pupils from Alice and Albert Thomas public preschool, in Siaugues, a French town located in Haute-Loire, in the Auvergne-Rhône-Alpes region. They named me Bijou ("Jewel" in French) and they flattened me so I can fit more easily in an envelope...

I would LOVE to discover your country, your region, your town...

(countryside, animals, flowers, monuments, language, flag, customs and traditions, art... maybe you could share recipes we would love to try, or music we would like to discover?)

1. TAKE A PICTURE OF ME ...

- ... in front of typical view, or monuments, in front of an important place in your town or region or country...
- ...in front of a preschool or school... we would like to know what schools in other countries look like!

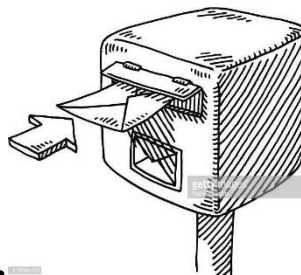

It's easy to send the pictures back, make your choice !

Our school email :

ce.0430169A@ac-clermont.fr

Our postal address if you want to print the pictures :

**Ecole publique Alice et Albert Thomas
(Classes de PS-MS-GS)
Le bourg
43300 SIAUGUES SAINTE MARIE
FRANCE**

2. THEN SEND ME BACK...

In a letter to my school, so I can tell the children what I discovered in your place!! And don't forget to explain what your pictures are showing. It will help the children to understand your country's culture (or town or region...)

You can add to your letter a postcard, tickets to monuments, train/bus/subway's tickets, songs, recipes... We will keep all those things for our end-of-year exhibition.

Please, don't forget to send me back to school once you've taken my picture, so children can send me to another place...

Don't forget to write your postal address and email address!!

As soon as our teachers will get the pictures, they will store them. When all my fellow wolves will be back, we will do an exhibition to explain to our parents all what we've learned thanks to this wonderful worldwide trip.

We thank you warmly for your help!

**Les moyens/grands (4 et 5 ans) de la classe de Estelle et Angélique
Les petits (3 ans) de la classe de Stéphane et Angélique**
